About Howard Center
Howard Center has a long and rich history as a trusted provider in the community. With a legacy spanning more than 150 years, we provide progressive, compassionate and inclusive, high-quality care and supports to those in need.

As Vermont’s largest social service organization, our 1,600 staff help more than 16,000 people each year in over 60 locations throughout Vermont in collaboration with hundreds of community partners.

We offer an array of exemplary mental health, substance use, and developmental services across the lifespan and our annual conference, numerous professional trainings, and free public education events help to improve care, inform our community, and decrease stigma.

Our events are designed to accommodate a broad audience, including mental health and healthcare providers, educators, clients and families, representatives of state and local government, law enforcement and the judiciary, and community members.
