

Howard Center Fact Sheet

We help people and communities thrive by providing supports and services to address mental health, substance use, and developmental needs.

Our Services

We offer an array of services for

- mental health
- substance use treatment, and
- developmental disabilities for children, adults, and families.

Our History

Howard Center has a long history as a trusted provider in our community, with a legacy spanning over 155 years leading the charge for progressive, compassionate, high quality care.

Our Impact

As the largest of the 16 organizations in Vermont's designated system of care, our 1,600 staff help more than 19,000 community members in 60 locations each year.

Our Budget

FY23 budget = \$129M includes multiple, complex funding streams.

- 95% funded by the state
- 88% workforce expenditures

Employing Vermonters

- 5th largest employer in Chittenden County
- 12th largest employer in Vermont

VBM Book of Lists: 9/2022

Our Reach

We offer services in five counties—in schools, child care centers, hospitals, emergency rooms, private homes, Howard Center properties and more.

Housing Supports

- 29 residential homes
- 220 shared living providers
- support for numerous foster parent living arrangements

First Call for Chittenden County

- Mobile crisis response
