

## Family Advisory Council

Sept 21, 2023

## TOPIC: Evolution of Children's Services

4:30-6:00 p.m. | Virtual meeting on Zoom

For years Howard Center has provided important mandated services for children and families, while also taking a comprehensive approach to meet changing needs. The funding has not always kept up as costs and demands have increased. Like many organizations, we have had to make challenging financial decisions impacting programs that have benefited recipients. Please join us for a discussion with the Chief Client Services Officer, Beth Holden, about the evolution of children's services.
